

Derby and Sandiacre Canal Trust

Following last years successful visit by the Inland Waterways Association / Waterway Recovery Group volunteers to Borrowwash Bottom (Shacklecross) Lock, we are please to confirm that they have agreed to return to help complete the restoration of the lock.

They will be on site from Sunday 21th July to Saturday 27th July 2019.

Access to the site will be via the drive to the lock by 24 / 30 Mear Drive. Please ensure that this access is kept clear as deliveries of materials and equipment will be required during the day.

Come along to chat to the team and our own volunteers about what we are doing in Borrowwash and our plans for the rest of the restoration.

This years visit is supported by Erewash Borough Council – Rural Community Grant Scheme in conjunction with Ockbrook & Borrowwash Parish Council.

You can make a donation the trust to help with this and other projects by texting BORROWASH followed by the the amount of your donation between £1 and £20 to 70085.

You can also donate via the donation page on our web site.
